

GTKonnect CHB Entry

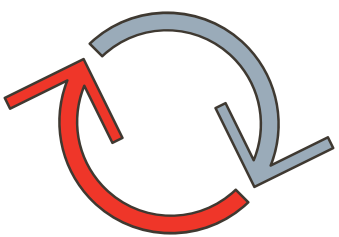

IMPORTS

SIMPLIFIED ENTRY PROCESS

Multiple preset default fields, copy previous entry, and automated entry creation from ASN or freight forwarding tools.

MULTIPLE WAYS TO GET IT DONE

GTK Imports support a one-step or two-step entry process or even automate and move to a "hands-off" clearance.

IMAGING - MOVE TO PAPERLESS PROCESSING

Full-service image management - tied to DIS module for submitting documents to customs.

CONTROL AT YOUR FINGERTIPS

Full-service reporting, notifications, and dashboards ensure you are in control.

CHANGING BROKERAGE PLATFORMS

We know change is a challenge. So if you are looking for a robust, efficient tool to reduce costs, don't let change stop you from progressing.

ACE CERTIFIED

ACE certified, with latest PGA, OGA functionality.
